The FUTURE and IMPACT of Data, Digital, Analytics and Technology for the EVENTS INDUSTRY

CALLING ALL TECHNOLOGY COMPANIES IN BUSINESS LESS THAN 2 YEARS

If you have a revolutionary technology that is transforming the events industry then we invite you to participate in our brand **New Tech Video Showcase** at **Transform USA Conference**, taking place **Wednesday, July 18th** at the **Newseum in Washington DC**.

As a **New Tech Video Showcase** participant you will have access to an audience of leading C-suite event industry executives from organizers, associations, and venues who will gather to address the future impact of data, analytics and digital and how it will transform the event business.

The best part is that you will be able to present a fun Improv video about your product in front of our audience during our networking lunch. To be considered for a **New Tech Video Showcase** position, you must be in business less than 2 years and have revenues of under \$1 million. To be considered, complete the form below and send us your product description and video by **May 15, 2018**.

Price – \$1495 Includes

- ▶ 60 second video – provided by company
- ▶ Visibility to 100+ c-suite decision making executives
- ▶ Visibility in pre-event and on-site marketing
- ▶ Social media
